be waived under certain circumstances; (2) a coal company to remove human remains from property owned or leased by the coal company; and (3) the removal of human remains from a cemetery plot for the purpose of autopsy or reinterment, reentombment, or reinurnment in another cemetery. Eliminates provisions requiring the department to take certain actions before authorizing the removal of human remains. Specifies the order of need for a family burial plot and allows the living parents and children to terminate the status of a family burial plot. Allows a cemetery to terminate the rights and interests of the owner of the burial space if the burial space has: (1) remained unused for a period of at least 50 years from the date of sale or last recorded designation or transfer; and (2) not had improvements on the burial space. Makes it a Class C felony if a person knowingly or intentionally uses funds in a perpetual care fund, endowment care fund, or funeral trust for purposes other than the perpetual care fund, endowment fund, or funeral trust was established.
